PREMIUM VINYL REPLACEMENT WINDOWS

PRODUCT FEATURES

- 1 **Cove molded sash detail** replicates the timeless, classic look of traditional wood windows.
- 2 **Bio-Maxx composite locks and keepers** are 50% stronger than standard die-cast hardware while remaining lead-free and color-true, without fading, warping or chipping.
- 3 **Dual-function, sloped sill** creates negative pressure to hold sashes securely in place while directing water away from your home—even in harsh weather.
- 4 **Shadow grooved sash welds** replicate the classic look of mitered wood corners.
- 5 **Integral lift and pull rails** are ergonomically engineered for smooth operation while remaining aesthetically appealing.
- 6 **Night latches** restrict sash movement for your family's safety and security.
- 7 **Multi-chambered vinyl construction** provides a maintenance-free lifestyle while delivering superior strength, durability, and exceptional thermal efficiency.
- 8 **Ergonomic tilt latches** are designed for comfort and effortless operation, reducing strain and making it easier to tilt sashes in for cleaning.
- 9 **Four-point fusion welding** guarantees the frames and sashes are always strong and square.
